E.E.(II). 2178/36

The S.E., S.C., enquired of Govt. as to which of the posts made permanent under G.Rs.Nos. 3260/36 and 3486/36, both dated 19-11-43, should be borne on Circle cadre and which on Divnl. cadre. Other officers were accordingly consulted in the matter. The S.Es. have stated that the following posts should be borne on Circle cadre and the remaining on the Divnl. cadres:-

The S.E., S.C.	The S.E., C.C.	The S.E., D.I.C.	The S.E., N.C.
(1)Overseer/s and Surveyors.	(1)Overseers	(1) Overseers Surveyors & Classifiers.	(1) Overseers.
(2)Asstt.Draftsment.	(2)Draftsmen & Asstt.Draftsmen.	(2)Draftsmen & Asstt.Draftsment.	(2) Draftsmen and Asstt.Draftsment.
(3)Tracers.	(3)Clerks.	(3)Tracers.	(3) Tracers.
	(4)Tracers.	(4)Karkuns (Dnl. & Sub-Divnl.)	(4) Clerks.
	(5)Computers.	(5)Signal Signallers.	
	(6)Asstt.Storekeeprs.		
	(7)Mechanics.		

2. With regard to Overseers (Surveyors), Draftsmen (Asstt. Draftsmen) and tracers all the S.Es. have expressed their opinion that these should be borne on Circle cadre. All the above categories of posts may, therefore, be borne on Circle cadre, if approved.

Yes.
Id.

Clerks:- Only the S.E., N.C., and the S.E., C.C. have stated that they should be on Circle cadre. The S.E., D.I.C. and the S.E., S.C., have not expressed their opinion. It may be stated that clerks similar to those made permanent under G.Rs. quoted above are borne on Circle list. It is therefore for consideration wheth r these clerks may be borne on Circle cadre.

Yes.
Id.

Computers:- The scale of tracers and computers is the same viz., Rs. 25-2-55-3-70. As the tracers are proposed to be borne on Circle cadre, it is for consideration whether computers may also be borne on Circle cadre. The posts of computers have been made permanent only in the Southern and Central Circles. The S.E., C.C., is in favour of Computers being borne on Circle cadre. The S.E., S.C. has not expressed his opinion.

Computers should be on a Circle cadre.

Id.

Accts. Store-keepers. - They have been made ~~pr~~ permanent only in the Central Circle. The S.E., C.C. states that they should be borne on the Circle ~~Ex~~ cadre. The proposal may be approved.

Yes.
Id.

Mechanics:- They have been brought ~~in~~ on to the permanent estabt. in the Northern, Central and Deccan Irrign.Circles. The S.E., D.I.C., does not offer any remarks on this estabt. The S.E., C.C. recommends that they should be on Circle cadre. For the reasons stated, the S.E., N.C., states that they should be borne on Divnl.cadre. His reasons are only applicable in the case of his Circle. The pay-scale of mech/anics is Rs. 40-5/2-60-5/2-100. They, therefore, are members of superior estabt. As it is usual for members of superior estabt. to be borne on the Circle cadre, it is for consideration whether mechanics may be borne on Circle cadre.

I think mechanics should be on a Circle cadre. It will facilitate their transfer from one Dn. to another when required.
Id.

Classifier (Spill):- Only one post of a classifier has been made permanent. This post is in the D.I.C. The S.E., D.I.C., proposes that it should be borne on Circle cadre. The pay-scale of this post is Rs. 110-8-180. The S.E.'s proposal may perhaps be accepted.

Yes.
Id.C.N.P.

Karkuns (Divnl.and Sub-Divnl.):- These posts have been made permanent in all the ~~Sxxxx~~ Circles. Only the S.E., D.I.C., recommends that these should be brought on to the Circle cadre. The S.E., N.C., ~~xxx~~ does not see any necessity of bringing them on a Circle list. He states that if they are brought on Circle list, the work of the S.E.will increase considerably. He further adds that karkuns, when on the work-charged estabt., were under the control of the Ex. Engr. and as such they should remain on Divnl. cadre. The view held by the S.E.,N.C.,appears to be correct and may be approved.

There seems to be ~~xx~~ no justification for bringing karkuns on a Circle cadre.
Id. C.N.P.

Signallers....

I agree.
Id.G.N.P.

Signallers. - The pay scale of signallers is Rs. 25-2-45-1-60. In only two Circles viz. Central and Deccan Irrign. Circles, they have been made permanent. The S.E., D.I.C., is in favour of bringing them on Circle cadre. They may accordingly be brought on Circle cadre, if approved.

3. In the circumstances, it is for consideration whether only the following posts, ~~transfer~~ out of those made permanent under G.Rs. Nos. 3260/36 and 3486/36, both dated 19-11-43, may be borne on Circle cadre and the remaining on the Divnl. cadres-

(1) Overseers and Surveyors.

(2) Classifiers (Soil).

(3) Draftsmen and (Assistant Draftsmen)

(4) Clerks.

(5) Tracers.

(6) Computers.

(7) Asstt. Store-keepers.

(8) Mechanics.

P.W. Deptt.

S. E.(II).

Please see portion marked "A" at p. 17 ante. It is not known what exactly are the difficulties of the C.E.,N.C., in having Mechanics on the Circle Cadre. Even though they may not be transferable from one Dn. to another due to their pay-scales being different, there is still no objection in having them on the Circle Cadre. It will not be proper for Mechanics to be on Circle Cadre in some Circles and on Dnl. Cadre in others. In the circumstances, the request of the S.E., N.C., may perhaps be refused.

2. The necy. draft will be put up on receipt of orders.

The mechanics in the M.I. Depot are doing specialised work and I agree with the S.E.N.C. that they should on the Divisional cadre. The same argument does not hold good in the case of the Motor Mechanic in South Thana Dn. He should therefore be on the Circle cadre.

I agree
